3COM APPOINTS ACA PACIFIC AS MASTER DISTRIBUTOR

ACA Pacific to market 3Com's range of secure, converged voice and data networking solutions in Singapore

SINGAPORE, 02 January 2008 – 3Com Corporation, a leading provider of secure, converged voice and data networking solutions for enterprises of all sizes, today announced the appointment of ACA Pacific Technology (S) Pte Ltd (“ACA Pacific”), a leading IT distributor within the Asia-Pacific region as its master distributor in Singapore.

“3Com is a leading global provider of large enterprise and SMB networking solutions in the region and this latest alliance with 3Com is a timely move as ACA Pacific gears up for greater demand of secure converged networking solutions in the industry,” said Mark Gill, Managing Director of ACA Pacific.

“We are delighted to have forged this strategic milestone with 3Com. This new addition complements our suite of networking and security solutions and reinforces our position as a value distributor for best-of-breed solutions in the region,” said Gill. “We are also excited about the potential business that our resellers can gain with 3Com’s solutions and

we are committed to providing them comprehensive sales support, marketing expertise as well as solutions training.”

This partnership with ACA Pacific builds on 3Com’s recently announced enhanced partner strategy and customer service initiatives in Asia, said Peter Chai, 3Com’s Vice President and General Manager for Asia Pacific. In November, 3Com launched an enhanced partner program that encourages specialization in IP telephony, wireless networking, SMB and enterprise LAN solutions. 3Com also announced the restructuring of its global service organization to improve customer service delivery by bringing the ownership of customer issues in-house.

“Together with 3Com’s enhanced channel partner program and customer support, we are confident that our partnership with ACA Pacific and their extensive network of specialized resellers will help drive 3Com’s revenue growth in Singapore,” said Chai.

Apart from the security and networking solutions, ACA Pacific also carries four other product lines in Singapore namely: Design Automation, Data Storage and Backup, Document Imaging and Business Applications.

The other IT brands under the ACA Pacific’s security and networking category of products and solutions include Aladdin, Attachmate, Aruba Network, BorderWare, Consentry Networks, ClearSwift, Crescendo Networks, FaceTime, Internet Security Systems (ISS), KACE, McAfee, NetworkChemistry, Novell, phion AG, SonicWall, Secudos, Talariax, Trend Micro and Tripwire.

About ACA Pacific

ACA Pacific Technology is an established IT marketing and value-added distribution company since 1988, serving the Asia-Pacific region. Solutions offerings include selecting and integrating only the “Best-of-Breed” software and hardware to meet customers’ requirements. Being associated with the world’s top IT product manufacturers and developers, ACA Pacific is constantly upgrading its distribution portfolios to bring the latest technology to the market, with offices in Malaysia, Singapore, Thailand and Australia, and an extensive network of over 800 trained and certified channel partners.
